Approx weekly amount of waste m3

Are any industry tickets required to enter site?

Yes If so, provide details

No

Provide brief description of site access including clearance height for trucks

I would like to purchase:

Poly Bags (Roll of 100) \$160.00 + GST

Desired 1st pick up Date (Mon - Fri pickups only)

Terms and Conditions

1. All polystyrene being collected is to be 100% clean. Polystyrene waste must be free of contamination, food particles, sticky tape and cardboard. If polystyrene collected is not clean, it cannot be recycled and will be sent back to original pickup site.
2. A minimum of 10 poly bags are required for collection.
3. Collection times are Monday to Friday 9am - 5pm.
4. The premises at which our drivers are entering site need to be safe and adhere to OHS standards and legislation at all times.
5. When calling for collection, details of quantity to be collected, site access and site contact must be provided.

I have read and understand the above stated Terms and Conditions and agree to abide by these conditions.
