

Onsite Recycling Protocol

- No material to be dropped off until office has been notified and time arranged.
- Drop off times are between 10:00am – 2:00pm.
- Staff member must be present to help facilitate.
- Any waste EPS covered in, dirt, mud, concrete or any other contaminants will not be accepted by Unipod. Only clean uncontaminated EPS waste will be accepted.
- No EPS used for food or medical storage will be accepted.
- Any EPS that is weather worn cannot be accepted for recycling.
- Client/public are not permitted to enter the factory under any circumstance.
- Public safety is paramount so any request by staff must be adhered to.
- Depending on amount of EPS to be recycled, charges may apply.
- When leaving Unipod, exit via Distribution drive, not the entry driveway.
